Invitation to Tender/Pre-Qualification

June 26, 2017

The Association of Federal Government College Enugu Alumni Americas (AFGCEAA) formed a Project Implementation Committee (PIC) to oversee the execution of projects that would improve living conditions, and foster a better learning and teaching environment for students and staff at our great alma mater Federal Government College, Enugu (FGCE).

Invitation to Tender: Reverse Osmosis Water Treatment System at FGCE

Bids are invited from interested from interested members of the public for the supply of all or part of the following products and/or services:

Reverse Osmosis Water Treatment System at Federal Government College Enugu

Solution Needed

There is a need to install a water treatment plant at the refectory of FGCE. The preferred solution is a Reverse Osmosis unit, herein after referred to as RO. The required capacity of the RO units is about 2400 GPD [gallons per day] (minimum 2000 GPD).

Vendors are invited to bid for participation in this project.

Vendors are welcome to submit their own alternative design and BOQ for the project if the design stated in the BOQ below does not fully meet their requirements or anticipated design for the project. All alternative designs must however include the basic components of the BOQ – a minimum of 2000 GPD commercial RO unit and any associated filters and membranes, storage tanks, booster pump and replacement membrane /filter sets.

The materials price includes the cost of importation and transportation where applicable and will be based on delivery to FGCE with cash on delivery arrangement.

Payment will be cash on delivery for both the materials and installation packages of the contacts.
